1. ACTIVITIES REFLECTING THE GOALS AND OBJECTIVES OF THE DEPARTMENT:

(Attach a separate sheet)

The college anticipates the need of the hour and therefore aims at introducing career oriented self-financed courses. Accordingly, initiations are being taken to introduce B.P.Ed. courses which would equip the students further to face a globally challenging economy.

But more courses demand more space. The college already has two successfully running P.G. Departments (English & Bengali) and hopes to introduce P.G. in other areas too. For this purpose a separate building called “Wesleyan Block for Post Graduate Studies and Research” is in pipeline.

The foremost aim of the college is to inculcate academic excellence within teachers and students and to enhance overall research. For this purpose the institution aims to introduce an international journal called “Wesleyan Journal of Research” which will be peer reviewed and foster research excellence.
