Activity Report

The Chairman of the Governing Body of Bankura Christian College and Bishop, the Diocese of Durgapur, the Rt. Revd. Dr Sameer Isaac Khimla inaugurated the Natural History Museum of the college. The Principal of the college and the teaching staff and non-teaching staff also attended the ceremony.

The Museum was set up to raise awareness among students and nature lovers about different species and varieties of flora in our environment. Altogether 150 specimens have been collected so far. The Museum in future will preserve different rare specimens of seeds and different food grains.

Parashmani, an NGO, is providing necessary technical and financial assistance (partially) to develop the museum further.
