A Report on Inter-House Wall Magazine Competition

As one of the best practices of the Department of English, an Inter-House Wall Magazine Competition was organized this year also on 12 April, 2023. All the students belonging to the different houses (Milton House, Wordsworth House, Tennyson House, and Yeats House) put their best efforts, their creativity, their critical and analytical study of different phenomena, relevant to this time, for almost a month in the preparation for this competition.

The judges comprised senior faculty members from the other departments and also a former student of the department, already qualifying in NET-JRF.

Milton house became the champion and Wordsworth House became the Runner-up in the competition.
