Applicants are advised to check their status (CONFIRMED/WAITING) in the merit lists without waiting for SMS/Email to ensure that there is no room for error. The merit lists will be published as per the schedule. If their status is CONFIRMED, applicants should proceed to take admission through the online portal by paying the requisite admission fee within the stipulated date and time.

After taking provisional admission in a subject, applicants will be allowed to change their subject(s) twice if their status is 'CONFIRMED' on subsequent merit list(s), if any. Each candidate will be given a total of three chances, subject to the availability of vacancies.

If an applicant fails to take admission within the stipulated date and time, despite having a 'CONFIRMED' status, it will be assumed that they are not interested in that subject. The said seat will be declared vacant for the following merit list, if any, and no further requests for admission in that subject in subsequent merit list(s) will be entertained. However, the applicant concerned will still be allowed to take admission in subsequent merit lists if their status in those Merit List(s) is 'CONFIRMED', regardless of their 'CONFIRMED' status in the previous merit list. In other words, it is not mandatory for applicants to take admission in order to be eligible for admission in subsequent merit list(s).
